How it works

1

Ask us to start it

We pull it up on our tablet, or send a secure link or QR code to your phone.

2

Apply on your device or theirs

A short application either way. It starts with a soft credit inquiry.

3

Review and decide

See what you qualify for in minutes and choose whether to move ahead.

Why patients use it

Treatment starts sooner

No trip to the bank and no waiting days for an answer before you book the appointment.

Checking is a soft inquiry

Seeing your options starts with a soft credit inquiry, which doesn't affect your credit score.

Your savings stay put

Move ahead with the treatment plan without emptying your savings.

Bank partners behind it

Loans are made by federally insured bank partners and serviced by Concord Servicing, LLC.

Common questions

Who makes the loan?

A federally insured bank partner in the LendStrm Program. LendStrm is not a lender.

Does applying hurt my credit?

Seeing your options uses a soft credit inquiry. If you choose to move forward, a hard credit inquiry may be made.

How long does it take?

A few minutes to apply, with a decision back in minutes — usually before you leave the office.

Who do I pay?

After funding, Concord Servicing, LLC services your loan. You'll get registration and payment instructions by email.

What can it cover?

The elective treatments and procedures quoted on your plan of care.
